

WHERE THE RUBBER MEET THE ROAD

Transforming the WCAB en banc Cases
into Real World Application

Self Study Course from the October 2009 Seminar

Advanced three part seminar where physicians, applicant and defense attorneys learn practical application of recent case law on apportionment, impairment and rebuttal to the rating schedule.

You choose the session you want to order!

Session A: Focuses on the unique challenges facing physicians

Session B: An in-depth review of the en banc decision and recent developments in case law for law for attorneys, claim managers and adjusters

Session C: A "How to course" in developing Substantial evidence in light of the major case law, deposition and trial techniques.

You will receive:

- The complete syllabus and BONUS CD that contains the entire syllabus!
- Audio CDs containing the commentary of the specialized faculty that teach the very latest techniques.
